Model 150L Long Traditional Panel with Optional Sunset 601 Window Design

At Clopay, we're building the next generation of garage doors with a patented, finger-protection design that is unlike any other garage door on the market today. This innovative design helps make our doors the safest on the market; however, that's just the beginning. We've added even more details that continue the long Clopay tradition of building garage doors that are beautiful, reliable and durable, and we back it with an extended hardware warranty. Our next generation Value Series offers more than any other garage door in its class. That's why we're right at home...on your home.

Beautiful. Durable. Reliable.
