20/10

Model 20 Long Panel Design, 4/4 Configuration with Optional Cathedral Short Window Design

Clopay's Models 20 and 10 wood garage doors provide natural beauty with strength and durability. Model 20 is a heavy-duty door with thicker stiles and rails than the standard-duty door Model 10.

These doors are available in a large variety of panel combinations and window decorative inserts. With all these options, Clopay can provide you with a door that is both attractive and economical.

Model 10 Short Panel Design in 4/4 Configuration

Warm. Distinctive. Timeless.

12'0"	7, 8, 9

Model 10 Heights

Door Heights	Number of Sections
6'0"– 7'6"	4, 5
8'0"	4, 5, 6

Additional Features

Durability

High-grade, kiln-dried hemlock frame provides extra strength and durability.

Security

Security locking available on every Model 20 and Model 10 garage door. All doors provided with gripping handles and step plates.

Maintenance

Doors that have been painted must be repainted every 1–2 years. If the door is stained, reapply stain as needed. These precautions will protect and seal the door against the elements.

Garage door specifications are subject to change. Check with your Clopay Pro-Series Dealer for verification.

In the interest of better quality and value, we are continually improving and updating our products. Consequently, photos and illustrations may sometimes differ from present models.

For more information on these and other Clopay products, call 1-800-2CLOPAY (1-800-225-6729). Visit our web site at <http://www.clopaydoor.com> for your nearest Clopay Pro-Series dealer.

CLASSIC™ LINE

of Wood Doors

Clopay's Models 20 and 10 are engineered for beautiful, long-lasting operation.

6	4				
6	5				

Sunset window design available widths: 8', 9', 16', 18'. 2-panel section on 8' and 9' wide doors, 4-panel on 16' and 18' wide doors. Available in 7' high doors only.

Cathedral window design available widths: 8', 9', 16', 18'. 4-panel section on 8' and 9' wide doors, 8-panel on 16' and 18' wide doors.

NOTE: 7' high single doors are illustrated. Design may appear different depending on the height and number of sections of the door. Refer to your Clopay dealer for additional panel and window configurations and line drawings.

Construction

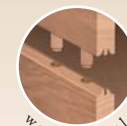

Model 20 shown above. Optional latex-based primer and bottom astragal also available on Models 20 and 10.

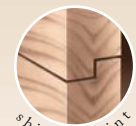

Model 20 – finger-jointed hemlock wood frame, wood panel. Paint or stain grade available.

Model 10 – finger-jointed hemlock wood frame, hardboard panel. Paint grade only.

wood dowels

shiplap joint

Wood framework with dowel pin construction provides strength and durability. Shiplap joint construction helps seal out wind, rain and snow; bottom rail can be trimmed to fit the contour of your garage floor.
