Track Radius	Headroom Needed	Track Radius	Headroom Needed
12"	10"	12"	12"
15"	12"	15"	14"

### Price Includes

- **Heavy-duty 25 gauge steel skin** bonded to ¾" thick polystyrene insulation for durable, quiet, energy efficient operation. **R-value 4.4.**
- **Patented finger protection joint** design "pushes" even small fingers out of harm's way.
- **Exclusive Weatherstop®** joint seal provides more protection from the elements, sealing garage door from air infiltration and rain.
- Steel skin with **Long Traditional** woodgrain textured raised panel complements any home style.
- **Hot dipped galvanized steel skin** with a baked-on primer and top coat helps assure maintenance-free durability. Finish may be painted with a high quality exterior latex paint to complement the home.
- **Nylon rollers** help assure quiet, long-lasting performance.
- Slide in **vinyl bottom weatherseal** in a rustproof aluminum retainer helps seal out the elements.
- **Patented Safe-T-Bracket®** designed for added safety; cannot under normal circumstances be removed while door is under tension.
- **White finish painted steel end stiles** give hinges and rollers extra support while providing a clean interior finish.
- **Safe-T-System®** provides peace of mind and enhanced protection when installing and operating the garage door.
- **12" radius track** for normal installations. 15" radius track available.
- All **hardware included** *except* rear track hanger, low headroom hardware and vinyl perimeter seal.
- **EZ-Set™ torsion springs** standard on all sizes. Doors professionally installed include **Standard** torsion springs.
- **Corrosion resistant, durable galvanized springs** with clean appearance.
- **Inside slide lock is standard, outside keyed lock** available (at additional charge). See page S20.
- Operator attachment.

### Special Notes:

- For doors sold through Home Depot's Expert Installation Program, the springing systems and locking systems may vary by market.
- Doors ordered in white unless a color is specified.
- See page S2 for panel arrangement
